Carmen

Hello! Please accept my apologies for the delayed response. It is a very busy day around here ! Please see below from Chairman Lee as I think this should answer your questions.

Headed into another meeting but my contact information is below. Cell phone is always best.

Kellie

Kellie Anne Brownlow
Deputy Chief to the Chairman
Cobb County Chairman's Office
(d) 770-528-3333
(m) 404-374-3130
Kellie.brownlow@cobbcounty.org

The proposed Final Guaranteed Maximum Price for stadium construction is \$462,202,065.00. This number falls within the original projected amount of \$482,000,000.00. A GMP is an agreed to maximum cost to build the new stadium. Cobb County's contribution toward the GMP is capped at \$300,000,000.00. The Atlanta Braves are responsible for cost increases, should they occur.

Professionals experienced in stadium construction from the Atlanta Braves, Jones Lang LaSalle, American Builders and Heery International have carefully evaluated every cost component of the construction of SunTrust Park, with a focus on both cost efficiency and creating a world class experience for Cobb County residents, fans and visitors.
